

ESCWA

United Nations Economic and Social Commission for Western Asia

Workshop Expectations

Workshop on the Consolidation and Expansion of the ESCWA Knowledge Network
Damascus, 24-27 April 2010

Mansour Farah
farah14@un.org

Workshop expectations (1):

1. Definition of the role and responsibilities of the regional secretariat
2. A plan that ensures the sustainability of the ESCWA regional network beyond the lifetime of this project (KN4DC)
3. Approval of the norms and standards that will govern the expansion of the ESCWA knowledge network

Workshop expectations (2):

4. Increased capacity of knowledge hub managers to effectively gather and publish information and knowledge pertinent to the communities they serve
5. Ideas and tips to help with the development of a new interface and of a global layer for the Knowledge Networks' Portal
