Workshop on MDG Data Reconciliation: Employment Indicators
12-13 July, Beirut

Agenda & Objectives
Objectives

- Improve statistical capacities to invigorate the production of MDG indicators
- Improve inter-institutional coordination to invigorate the production of MDG indicators
- Improve data description (metadata)
- Decrease statistical discrepancies between national, regional and global sources
Expected Accomplishments

- Improved and increased national and regional MDG statistical production and use
- Decreased statistical discrepancies in MDG indicators among national, regional and international sources
- Improved MDG Goal monitoring capacities and strengthening inter-institutional coordination
- Strengthened network of MDG statistical and reporting experts and practitioners at the national and regional levels
Revised MDG monitoring framework

- At the 2005 World Summit, world leaders committed to four new targets, in addition to those contained in the Millennium Declaration

  Achieve full and productive employment and decent work for all, including women and young people

  Achieve, by 2015, universal access to reproductive health

  Achieve, by 2010, universal access to treatment for HIV/AIDS for all those who need it

  Reduce biodiversity loss, achieving, by 2010, a significant reduction in the rate of loss
ILO targets and indicators

GOAL 1: Eradicate extreme poverty and hunger

Target 1B: Achieve full and productive employment and decent work for all, including women and young people

INDICATORS
1.4 Growth rate of GDP per person employed
1.5 Employment-to-population ratio
1.6 Proportion of employed people living below $1 (PPP) per day
1.7 Proportion of own-account and contributing family workers in total employment

GOAL 3: Promote gender equality and empower women

Target 3.A: Eliminate gender disparity in all levels of education

INDICATORS
3.2. Share of women in wage employment in the non-agricultural sector
