5th EDITION

17 > 19 SEPTEMBER 2014

Le Royal Hotel Beirut - DBAYEH

THE FORUM

Beirut Energy Forum is the regular annual gathering of the WEC Lebanon Committee

Beirut Energy forum is the largest event in Lebanon that is dedicated to energy efficiency, renewable energy, and green buildings. Beirut Energy Forum has established itself as one of the most distinguished events in the Arab World.

The reputation of the Beirut Energy Forum emerged through 4 editions starting back in 2009. In 2014, the fifth edition of the Beirut Energy Forum will be held from 17 to 19 September 2014.

This event is done under the patronage of the Lebanese Minister of Energy and Water H.E. Mr. Arthur Nazarian. Beirut Energy Forum receives the support of the Ministry of Energy and Water, the League of Arab States (LAS), the European Union (EU), the United Nations Development Programme Lebanon (UNDP), the Central Bank of Lebanon (BDL), the Regional Center for Renewable Energy and Energy Efficiency (RCREEE), and the Order of Engineers and Architects in Beirut (OEA).

Beirut Energy Forum has also become the main event of the Lebanon Committee of the World Energy Council (WEC).

Beirut Energy Forum 2014 is organized by MCE GROUP for Congresses and Exhibition in strategic partnership with the Lebanese Center for Energy Conservation (LCEC) and in collaboration with the Ashrae Lebanon Chapter, the Lebanese Solar Energy Society, the Lebanon Green Building Council (LGBC), and the EU-funded project MED-ENEC.

Meet the key people of the energy sector in Lebanon, the Arab World, and the International Community...

“In 2013, the majority of the attendees were pleased with the high level of the scientific program and the professionalism of the organization...Thank you for your valuable feedback”

EXHIBIT IN THE LIGHT

Beirut Energy Forum 2014 will witness the announcement of new bids in the energy efficiency and renewable energy sectors in Lebanon. Do not miss the opportunity!"

It's a working gathering rooted in today's issues and firmly forward looking. It brings together professionals, policymakers, banks, practitioners, donors, academics, and private companies to meet and discuss the latest updates related to the energy sector in Lebanon, the Arab World, and the international scene.

It is the place where officials from the public sector meet private sector representatives and discuss the future of the sustainable energy sector in Lebanon and the region.

EXHIBITOR PROFILE

Energy

Solar | Wind | Biofuel | Biomass | Waste to Energy | Carbon Management | Geothermal

Green Buildings

Building technologies | Urban Planners Architects | Green Products, Practices and Technologies | Low Energy Architecture

Others

Banks & Financial Institutions | Investments Firms | Research & Development Institutions | Independent Power & Energy Producers | Associations & Agencies

Clean Environment & Transport

Sustainable Transport | Environment Friendly Vehicles | Road Services | Street Cleaning | Technical Facilities

- ... Distinguish your company in a world-class industry gathering
- ... Build effective network resulting in increased sales
- ... Boost your brand by increasing visibility & recognition
- ... Increase positive industry relations

ASK FOR OUR EXHIBITION FORM & FLOOR PLAN

In BEF, Sponsorship packages are fully tailored to suit corporate development & marketing objectives.

We work closely with your team to ensure that our Sponsors do really receive maximum exposure & opportunity for each sponsorship dollar invested.

The event offers a dynamic opportunity to be involved with what will be the most talked about energy event in the region.

PLEASE REFER TO THE SPONSORSHIP PACKAGES CATALOGUE

This year, the exhibition area will witness "special scheduled tours" by representatives of selected parties. The organizers will strive to have special visits by the following organizations and parties:

- Order of Engineers and Architects in Beirut and Tripoli officials
- League of Arab States officials
- Council for Development and Reconstruction (CDR) officials
- Ministry of Energy and Water & Ministry of Public Works and Transportation officials
- Association of Lebanese Banks officials
- and others.
